

The background is a vibrant purple gradient. A large, glowing yellow full moon is the central focus. In the foreground, two black silhouettes of rabbits sit on a small, light-colored patch of ground, facing each other. The scene is decorated with stylized elements: white and yellow streaks resembling falling leaves or rain in the upper left, dark green bamboo-like branches in the upper right, and stylized purple mountains in the lower half. The overall mood is serene and celebratory.
